GACMI-New YEC group meets

Dear Chamber Members and Friends,

We are very excited to announce the formation of the Young Executives Club (YEC) of Michigan, part of the German American Chamber of Commerce of the Midwest, Michigan Chapter. YEC was created to bring together young professionals connected to Germany and interested in German-American relations and business. YEC will meet at least once a month in a relaxed social setting and work with other professional organizations to bring together young professionals in the Metro Detroit area. Additionally, YEC will organize gatherings such as a German movie night and soccer games along with excursions to institutions such as the DIA.

YEC welcomes feedback, ideas, and new members.
