Beginning June 1, 2009, travelers entering the U.S. by land or sea from Canada, Mexico, Bermuda or the Caribbean nations must present an identity and citizenship document approved under the Western Hemisphere Travel Initiative (WHTI). WHTI was enacted to heighten border security against terrorism and illegal entry.

NEW MICHIGAN ID:

Any Michigan resident who is a U.S. citizen may apply for an **enhanced license** or ID card. They are excellent options to the standard license and ID, especially for the thousands of travelers and commercial drivers that cross the U.S.-Canadian border daily.

CREDIT CARD stolen

Michigan is hit with a slow economy this year. People are desperate and start looking for money. Be careful with your purse and where you go.

If you realize that your wallet or purse got stolen act immediately!

Make a copy off all your cards, front and back—so you will remember what you had with you! Store the 800 number of the bank with the last four digits in your phone—it will save you time to look it up and you can act immediately!
